Preemie Beenie™ Poly-Lined Knit Hat

Intended to decrease heat loss in pre-term and full-term infants

Preemie Beenie Poly-Lined Knit Hats are specifically designed to decrease heat loss in ELBW and Term infants in the critical early days of life. The Poly-Lined Knit Hat can significantly decrease cranial heat loss, where most evaporative heat loss occurs.

Our design provides a polyurethane liner between two layers of soft, knit fabric for comfort and prevention of heat loss. The Preemie Beenie knit maintains the shape of the Hat for a snug fit.

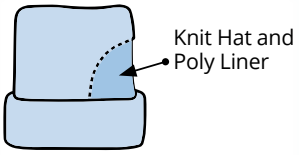

Ordering Information

45105	Preemie Beenie – Size 1 (≤ 25 weeks GSA) – Blue Stripes	50/box
45205	Preemie Beenie – Size 2 (25 to 28 weeks GSA) – White	50/box
45305	Preemie Beenie – Size 3 (≥ 29 weeks GSA) – Pink and Blue Stripes	50/box

Companion Products

49050	StatStrap® Circuit Holder	50/box
